Glaziers Hall's Attendee Protection Plan (APP)

Want to be able to book a safe space for your next conference, meeting or event?

Look no further than Glaziers Hall and our 20-point plan.

Our 20-point plan has been designed with your safety in mind, to allow you to run events safely after lockdown is lifted.

Your Welcome

Dedicated entrances to allow greater social distancing.

Dedicated, highly trained, teams working on social distancing and hygiene measures.

Teams supplied with Personal Protective Equipment (PPE).

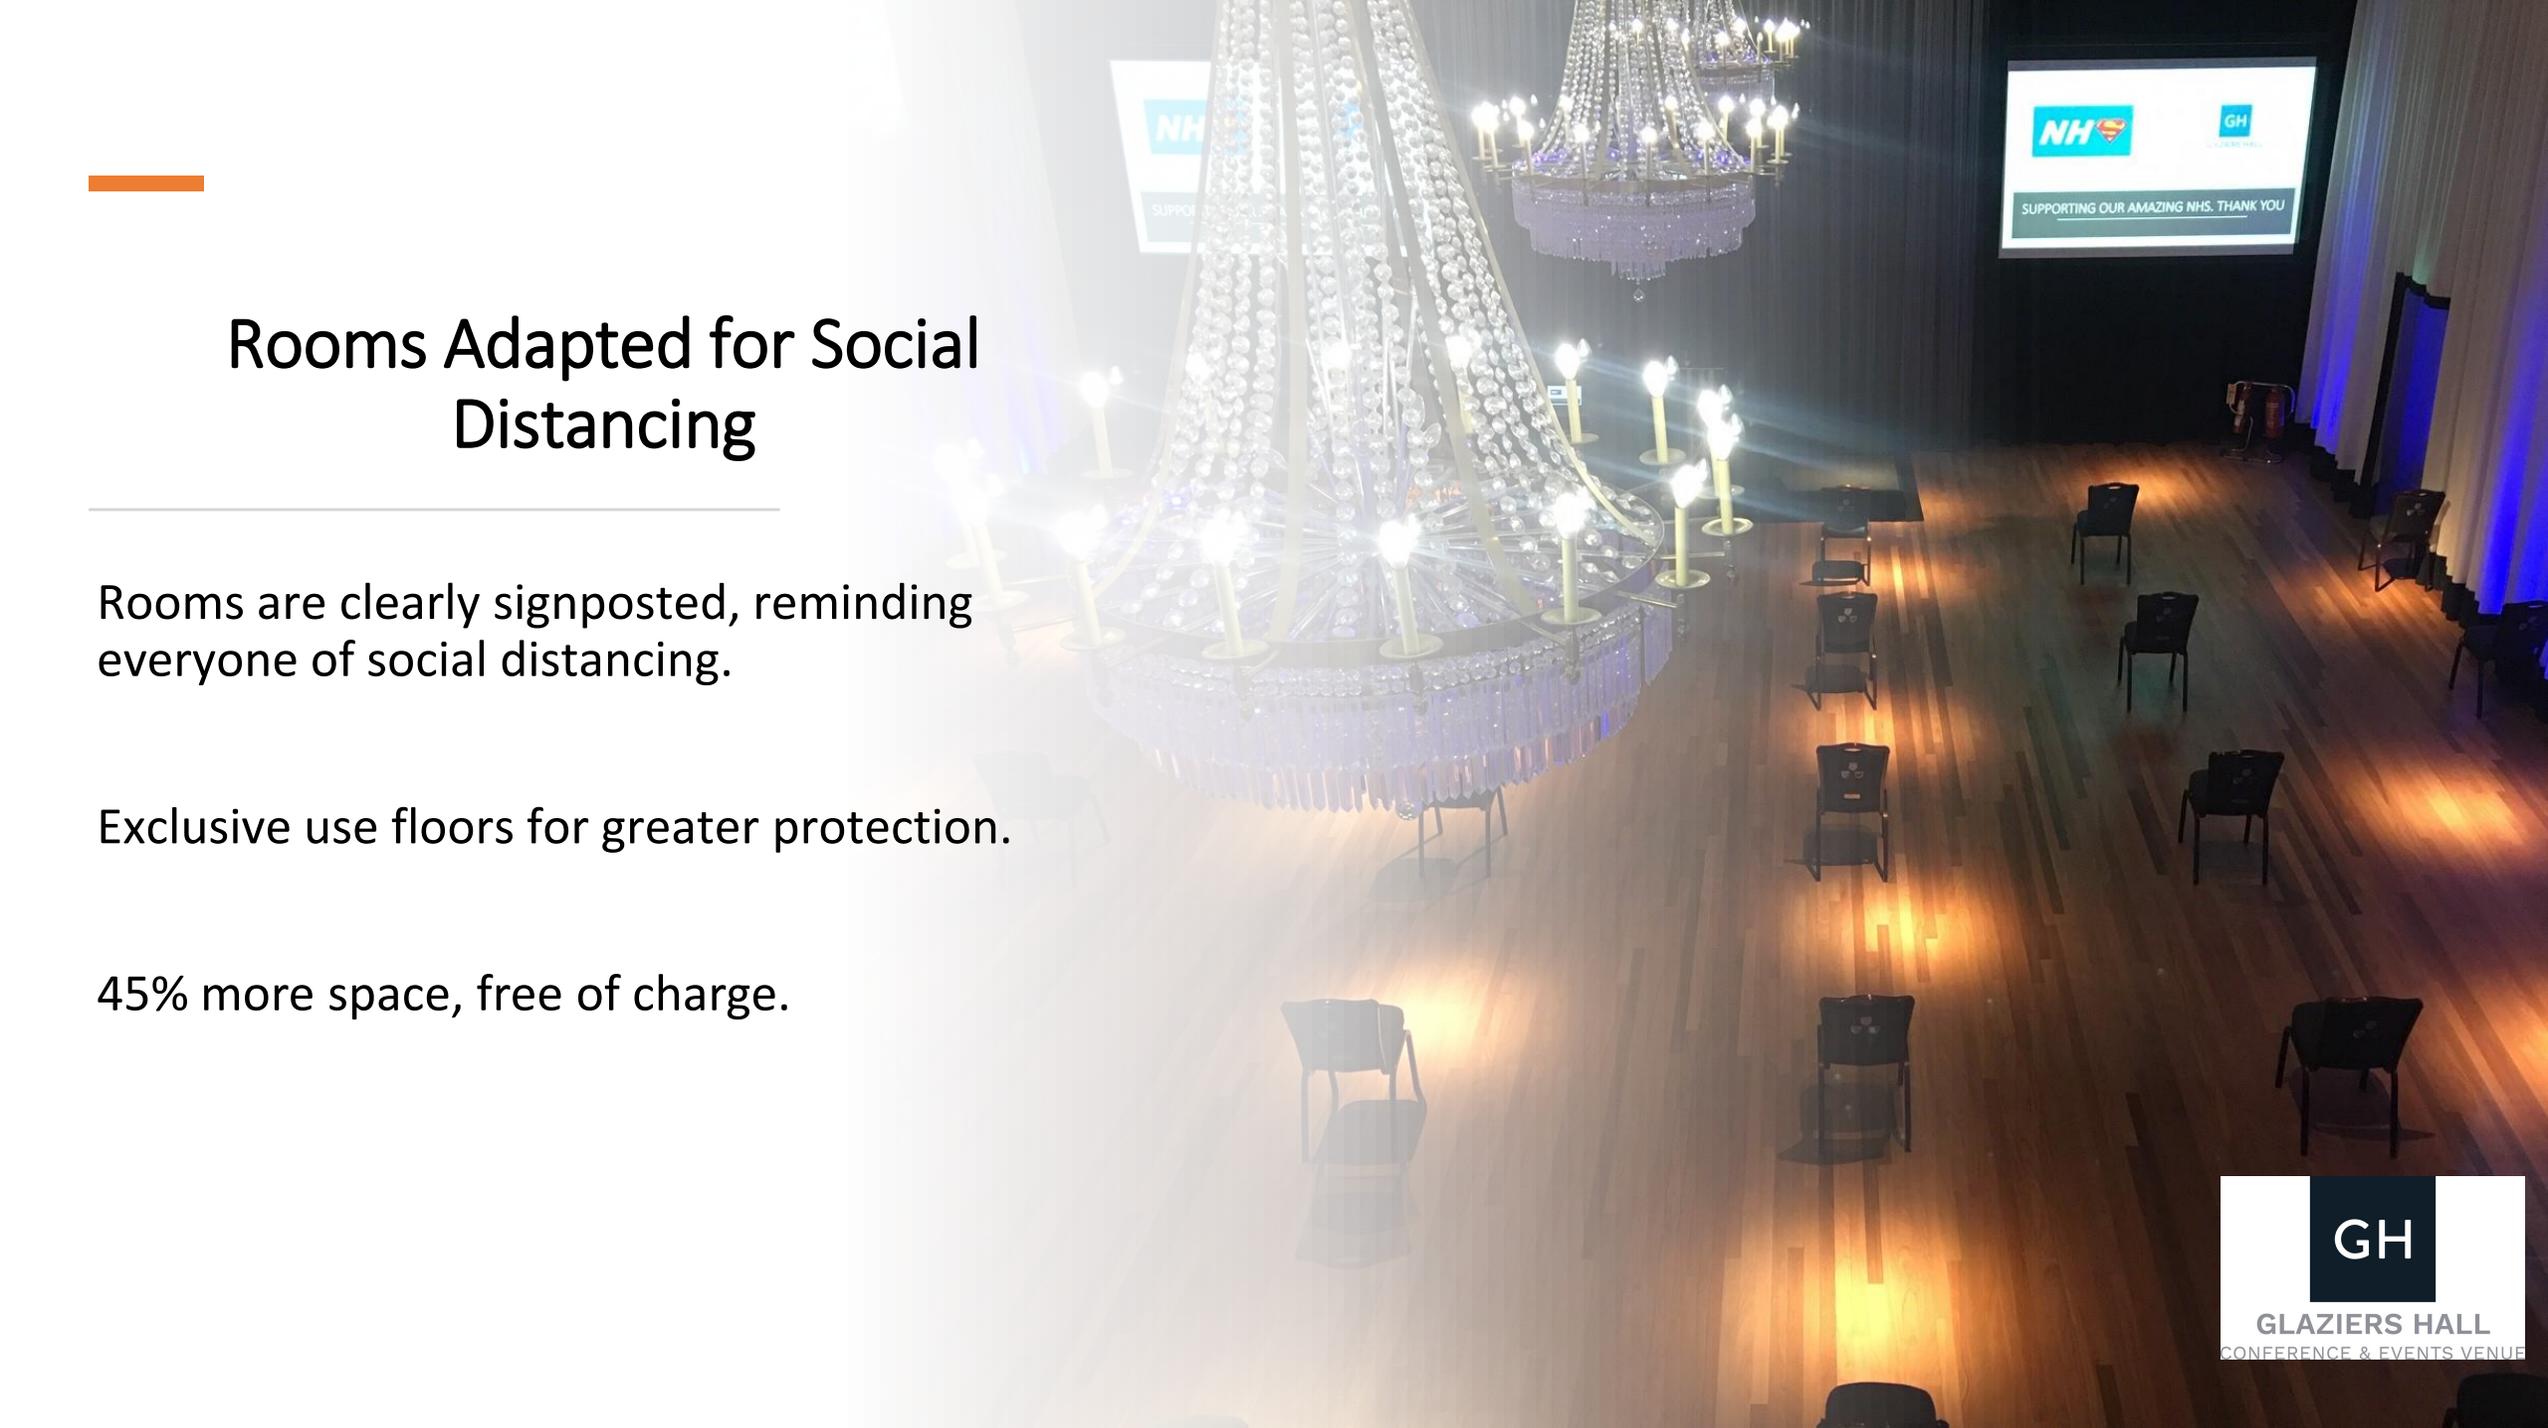

Your Confidence

We are working in collaboration with our cleaning and hygiene specialists to provide a safe environment.

We have sanitisers outside all internal rooms and doors.

We continually and regularly have the building deep cleaned. Our water is treated and tested monthly, as well as being audited externally.

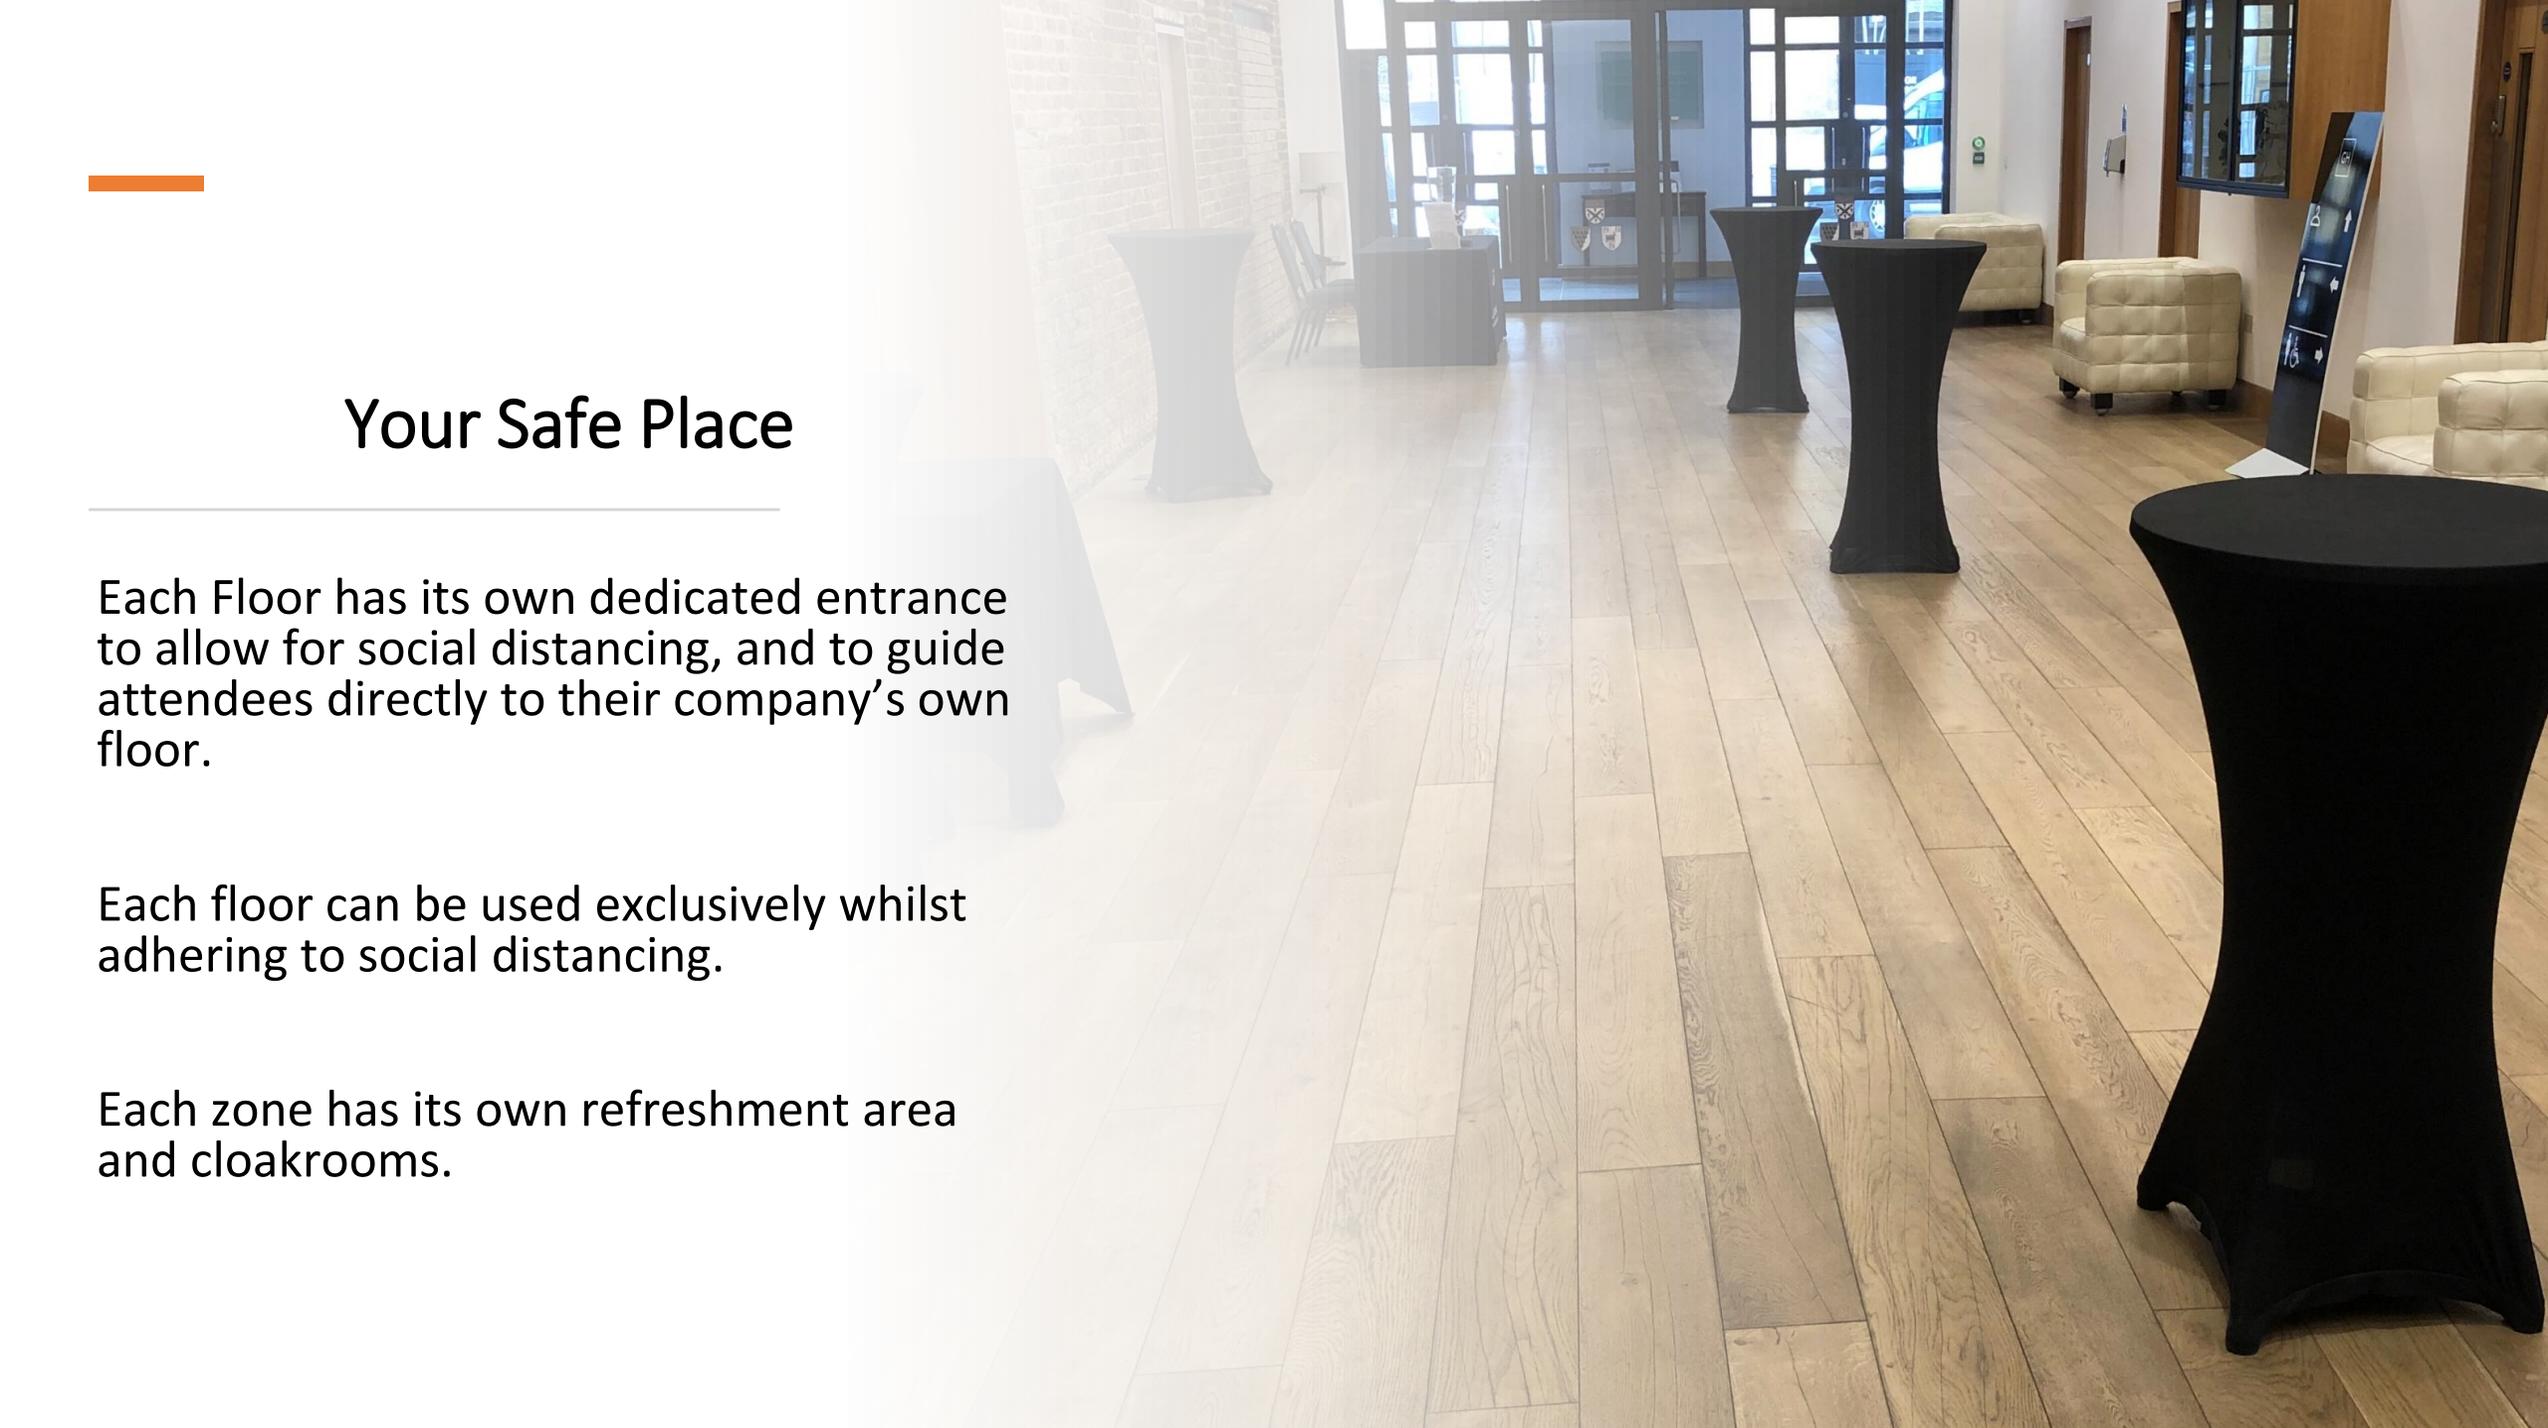

Rooms Adapted for Social Distancing

Rooms are clearly signposted, reminding everyone of social distancing.

Exclusive use floors for greater protection.

45% more space, free of charge.

Your Safe Place

Each Floor has its own dedicated entrance to allow for social distancing, and to guide attendees directly to their company's own floor.

Each floor can be used exclusively whilst adhering to social distancing.

Each zone has its own refreshment area and cloakrooms.

Enhanced Technology

In 2019 the venue completed a £2.2million refurbishment including technology allowing us to offer a range of innovative hybrid meeting solutions including video conferencing:

- Between rooms within the building, 2 way or 1 way.
- Between our building and external sites.
